

**ACM  
PLASCO**

**INTERNATIONAL (PVT) LTD**

Established in 2021, ACM Plasco operates under the umbrella of ACM Group, one of Pakistan's most respected and diversified industrial groups with strong footprints in manufacturing, construction, and large-scale industrial operations. ACM Plasco was founded with a clear vision - to become a leading provider of innovative,

reliable, and high-performance plastic packaging and moulding solutions in Pakistan and beyond. Backed by the legacy, financial strength, and industrial expertise of ACM Group, we combine advanced manufacturing technology with industry best practices to deliver superior products that meet evolving market demands.

Our mission is to build a workplace grounded in respect, kindness, and integrity; deliver exceptional quality and trust to our customers; and create long-term value for our employees, dealers, partners, and all stakeholders-supporting shared prosperity and national progress.

To become Pakistan's most respected and impactful business group-recognized for sustainable growth, unwavering integrity, mutual respect, uncompromised quality, and meaningful contributions to society.
